MAHATMA GANDHI MEMORIAL COLLEGE

UDIPI, (S. India)

Ref. No. MGM-633/53.

Date 11--7--1953.

To
The Director of Public Instruction,
Hunganbaldam,
Cathedral Post, Madras.

Sir,

SUB:-- Raising of the Mahatma Gandhi Memorial College to first gradefrom 1953-1954--request for additional grant of Rs.25,000/-.

I have the honour to state that our College has been raised to first grade with the starting of the Junior B.A. class this year for which affiliation has been granted by the Madras University.

When we applied for the Building Grant in 1951, our College was a second grade College and a grant of Rs.50,000/- was sanctioned in your proceedings No.R. c. No. 427 D8/50 dated 12-7-'51. The buildings then constructed were intended for the accommodation of the B.A. classes, which could not be opened in 1951 on account of the requirements by the University for an additional 2 lakhs of endowment. We applied for an additional building grant of Rs.25,000/- in my letter dated 4-3-'52 but my request for the additional grant was refused in your proceedings No. R.C.427 D8/50 dated 20-3-'53.

I have to state that in addition to the buildings for class accommodation we constructed in 1952, an Administrative Block with two floors for the accommodation of the Principal's office, Staff Rooms, and Library and Reading room.

Now that our College is a first grade College, I request that an additional grant of Rs.25,000/- be sanctioned to us. The Management has spent over Rs.3 lakhs on the buildings and this grant will give us considerable relief and I hope that my request for the additional grant will be viewed with sympathy. I may also state here that the present buildings were inspected by a Commission of the University of Madras and were approved for a first-grade College.

Thanking you,

Yours faithfully,

H. Sundara Rao
Correspondent.

Sir,

Sub: Basic Building-Maintenance Grant to Colleges - Sanction of buildings for the College Enhancement [illegible] from Rs. 50,000/- to Rs. 75,000/-

Ref: Government Memo. No. 37234 F/53-1 Education dated 4--8--1953.

1/ The scheme for the construction of buildings [illegible] Colleges, Civil Lines was sanctioned in G.O. Ms. No. 3073 Education dated 17--11--1950 at an estimated cost of Rs. 3,00,000/- when the college was a 2nd grade one, rendering the [illegible] thereof eligible for a maximum grant of Rs. 50,000/-. As recommended by the Joint Consulting architect to Government the estimate for the scheme was approved for Rs. 1,5,000/- only. /

2/ The ceiling for building grant is Rs. 50,000/- in the case of 2nd grade colleges and Rs. 75,000/- in the case of 1st grade colleges. As the Basic Training College, [illegible] Phase one it comes under the former category and was only entitled to a maximum grant of Rs. 50,000/-. The scheme is reported to have been completed by about March 1952 and the admissible grant of Rs. 50,000/- has also been paid. Hence it has to be treated as a 2nd grade college only.

3/ [illegible] in their letter in question now represented that the buildings are intended for the accommodation of the I.A. classes so that the institution may be raised to 1st grade college this year, i.e. during 1953-54. They therefore request, the grant in respect of the building scheme may be treated for a first grade college and the balance of Rs. 25,000/- (Rs. 75,000/- --- Rs. 50,000/-) be paid now.

4/ The request of the management is inadmissible. [illegible] Government in the first place may kindly proceed [illegible] dated 18--7--1953 with reference to a similar representation.

Yours faithfully,

In his letter cited, the D.P.I. has not stated why the request of the management of the Mahatma Gandhi Memorial College Udipi for a maximum grant of Rs.75,000/- towards its building scheme is inadmissible. In view of the fact that the scheme in question was really designed for a First Grade llege and the accommodation is also considered tisfactory for the B.A.classes by the University d the Edn.Deptt., it ~~has been~~ has hence suggested considered that a

The Executive Engineer, South Kanara Division has been requested to inspect the building of the M.G.M.College, Udipi and send a statement of valuation of the building as a whole. On the basis of the previous valuation statement which did not include the work subsequently done, the management's request for additional grant of Rs. 25000/- could not be fully sustained and hence the Executive Engineer has been asked to take into consideration the work done since he issued the last valuation statement. Sir,

Sub: GRANT - Building - Mahatma Gandhi Memorial College, Udipi - construction of buildings for the College. enhancement of grant from Rs.50,000/- to 75,000/- request - remarks submitted.

Ref: Government Memorandum No.37234.F/53-2 Edn. dated 14.9.1953 and
My letter Rc.427.D8.K4/50 dated 2.11.53.

...

With reference to the Government Memo cited above, I submit the following remarks:

In G.O.Ms.No.3072/Education dated 17.11.50, the scheme relating to the construction of College buildings for the Mahatma Gandhi Memorial College, Udipi was placed in the approved list of works rendering the institution eligible for a maximum grant of Rs.50,000/-. In their order No.1100/ Education dated 24.4.1951, Government also authorised the Director to disburse as a special case, the sum of Rs.50,000/- in April 1951 towards this scheme and accordingly a sum of Rs.50,000/- was paid in the year 1951-52. In July, 1953, the management made a request that as the College was raised to the first grade, an additional building grant of Rs.25,000/- be sanctioned towards the construction of the buildings for the College on the grounds (1) that the management had spent over Rs.3/- lakhs and (2) that the buildings were intended for the accommodation of the B.A., Classes as well. This request of the management was not recommended by me for the reason that the maximum building grant in the case of a Second Grade College is only Rs.50,000/- and that the scheme in question was completed by about March 1952 when it had the status of only a 2nd Grade College - Vide my letter Rc.427.D8/50 dated 17.8.53.

The main reason for holding the view that the request of the management for a further grant of Rs.25,000/- is inadmissible, is that when the building scheme was approved the College was only a Second Grade one. Under Rule 55 of the Grant-in-aid Code the maximum building grant for a Second Grade College at the time of application for the building grant has to be taken into consideration. Even at the time of orders on that application, the College was only a Second Grade College. In the present case the management applied for building grant in June 1950 when the College was a Second Grade one and it was only in June 1953 after a lapse of three years, that the College was raised to the First Grade after the full building grant for the scheme i.e. Rs.50,000/- had already been paid and the accounts were settled.

I am of the view that the request, if conceded will create a bad precedent. Any building scheme has to be usually approved taking into consideration the status and the requirements of the institution at the time the scheme is considered or at best in the immediate future and not what the

institution may require years after the scheme on hand is completed and payment is settled once for all. There are also no special reasons to deviate from the normal procedure. I therefore, consider that there is no justification for paying an additional building grant of Rs.25,000/- to the Mahatma Gandhi Memorial College, Udipi..

Yours faithfully,

for Director of Public Instruction.

Extract of the minute of M. (Edn.) at p.19:-

Sec. Edn. This may be examined and put up with connected papers. M.V. Krishna Rao 13.7.53

In G.O.No. 3073 Edn. dated 17-11-50, the Govt. sanctioned the inclusion of the scheme for the constructio of buildings for the Mahatma Gandhi Memorial College, Udipi, at an estimated cost of Rs. 3,00,000/- rendering the management of the college eligible for a maximum grant of Rs. 50,000/- It is reported that the scheme was approved only for Rs. 2,13,000/- as recommended by the Jt. Consulting Architect to the Govt. , that it has been completed by March 1952, and that the admissible grant of Rs. 50,000/- has also been paid to the college.

2. The maximum limit for building grant is Rs. 50,000/- in the case of second grade colleges, and Rs. 75,000/- in the case of the first grade colleges. As the Mahatma Gandhi Memorial College was only a second grade gollege, it was entitled only to a maximum grant of Rs. 50,000/-

3. The management, in their letter in the c.f., now represent that the buildings were intended for the accommodation of the B.A.Classes and that the institutio has been raised to the status of a first grade college this year i.e. during 1953-54, and they therefore reques that the grant in respect of the building scheme may be paid as for a first grade college and the ~~balance~~ difference of Rs. 25,000(Rs. 75,000-minus- Rs. 50,000) be paid to the now.

4. The D.P.I. in his letter at p.7 c.f. reports that the request of the management is ~~xx~~ inadmissible and that he has informed the management accordingly on a similar representation made to him.

p 7 cf. wherein the Director has reported the circumstances which apparently render the request of the management inadmissible. The College, when the schem was admitted to aid, was only a Second grade College. Again, only on this basis, a maximum grant of Rs.50,000/- was sanctioned and the amount has also been paid. It is only during 1953-54 that the College has been raised as a First Grade one. The College will ~~therefore~~ hereafter be eligible for a maximum grant of Rs.75000/ in respect of any new schemes for the College.

In view, however, of the fact that the building scheme in question was for providing accommodation for the B.A.classes, it is for consideration whether the grant in this case may not be enhanced to Rs.75,000/- as a special case. If so, the D.P.I. may be consulted. Subject to orders, a draft memo is submitted.for approval.
